Hi Lance,
The format of this map might not be what you need, so don't hesitate to let me know how I can set it up to work best for you. The parcels outlined in green are the ones we mapped earlier this year using the 1956 aerial.
I didn't find a description in the current deeds for the field area north of the (b) (6) parcels.
I'll be here tomorrow, so let me know what you think.
Have a good evening!
Melody

Do you have an update on the completion date of the Deeds we need mapped for Wilcox Oil?

Thanks
